Re: 60/424,349 Toland
Dear Mrs. Streater:

As we discussed on telephone today, enclosed is the check for \$290.00 for the funds returned to me in error. I sent in \$370.00 for the filing fee of a utility patent and it was processed as a provisional and \$290.00 was returned to my office. This application was supposed to be a utility patent application (as identified in the cover letter enclosed with the application) and not a provisional application. Please process as a utility application and accept the additional funds for the utility filing fee. Should you need anything further from me, please do not hesitate to call.

Thank you for your assistance.

Very respectfully,

Cristina M. Offenberg, Esquire
